# **PARTNERSHIP PACKET**

Hi! My name is Ella, and I am the founder of Ellavate Charity Foundation, a 501(c)(3) organization based in DC. I am excited to share that Ellavate Charity Foundation will be hosting its **3rd Annual Golf Tournament Fundraiser on May 30th, 2026** to raise funds for HBCU scholarships.

**About ECF**

Ellavate Charity Foundation’s mission is to champion empowerment and equity for early career professionals from underrepresented backgrounds. Our efforts support free webinars, access to industry experts, and professional development opportunities rooted in the hidden rules of the workplace.

At Ellavate Charity Foundation, we want to empower underrepresented professionals to explore the benefits of the golf space.

**Why Golf?**

I’m not a golfer (and neither is anyone on my ECF team)... but I recognize the strategic value of golf in the workplace.

- 🚩 90% of Fortune 500 CEOs play golf.
- 🚩 80% of executives say playing golf enables them to establish new business relationships.
- 🚩 Yet in 2020, only 19.8% of golfers were non-white.

The game of golf, widely known as **“the international language of business,”** has historically excluded many, limiting access for people of color, women, and low-income communities. We hope to change that by bringing the power of inclusion, belonging, and joy to the green.

Our organization is looking for businesses or individuals who may be interested in partnering with us for this golf tournament, wish to support our mission, and make an impact on professionals from underrepresented backgrounds.

There are many ways to partner with us for this golf tournament. In the following pages of this document, you can learn more about which partnership pathway may be the best for you or your organization.

Thank you for considering supporting our efforts to establish workplaces for all!
